

Hornet Happenings

On April 10, 2017, at our USD 262 Board Meeting, West Elementary students visit with the board about habits of highly effective students.

Board Members enjoy listening to West Elementary students share about habits of highly effective students. Proud teachers and parents capture the moments. Principal Pete Bastian explained this program in our December 16, 2016 edition of Hornet Connections. He shared that this year we have implemented the Leader in Me process. Stephen Covey created this process and it is centered on the *7 Habits of Happy Kids*. Each month teachers teach one of the seven habits. The seven habits are; Be Proactive, Begin with the End in Mind, Put First Things First, Think Win-Win, Seek First to Understand-Then to be Understood, Synergize and Sharpen the Saw. This program has been very successful. It is wonderful to see all students, K-4 using the Leader in Me language and working hard to live these habits.
