
ADDENDUM 1

Wireless Density Upgrade

BID NUMBER:	1028
ADDENDUM NUMBER:	1
ADDENDUM RELEASED:	May 21, 2012 9:00 AM

TRADE-IN CREDIT OPTION

USD 262 is requesting an option for trade-in credit of a Cisco AIR-WLC4402-50-K9 wireless controller.

If option for trade-in credit is approved, the credit amount listed in the table below will be deducted from bid total.

It is the responsibility of the vendor to remove the traded-in units from USD 262 within 30 days or the units will be disposed at the discretion of USD 262.

Project Grand Total (*From Bid Response Form*): _____

Trade-In Credit for (1) Cisco AIR-WLC4402-50-K9: _____

Base Bid (*If Trade-in Credit option is accepted by USD 262*): _____

In submitting a response to this document, vendor acknowledges acceptance of all sections of the entire document and has clearly delineated and detailed any exceptions.
