

VCIS Front Car-Line Traffic Flow Map

The intermediate school has two turning lanes in the front car-line to help with traffic flow.

- Pull in from the south side
- Angled parking is located on the east side of the parking lot.
- Pick one of the two lanes to drive, either the left lane or the right lane
- The right lane is a right turn only lane.
- The left lane is a left turn only lane.
- Drop off or pick up your child

*If you ever have ideas on how to make our car-lines and parking lots safer, please let us know.

VCIS North Parking Lot Car-Line

VCIS has two car-lines on the north side of the school to help with congestion.

- You will enter on the west side of the car-line.**
- You will pull all the way up to the car in front of you with space to pull-out when needed.**
- When your student gets in your car, you exit the car-line by pulling to the middle section of the two lanes and exiting to the east of the car-line.**
